

LINCOLN LITHIUM-ION POWERLUBER® FAMILY

Heavy duty grease guns for harsh environments

Tough Bearings, Tougher Gun

Low Flow, High Pressure gun for the lubrication service professional. Lincoln's new 20V Lithium-Ion PowerLuber® high pressure capability allows you to service even the most stubborn bearings with ease. Lincoln's advanced grease metering provides exact measurement of grease dispensed minimising waste and increasing accuracy.

Work light
Built-in LED illuminates the work area

Vent valve and filler nipple
The vent valve purges trapped air to help assure easy prime, and the filler nipple facilitates a quick, clean refill for those who prefer to bulk fill their barrel

Three-point base
Base keeps the grease gun upright for easy handling and helps to keep the tool clean. Balanced, ergonomic design weighing 2.0kg

Model 1882
20V PowerLuber, 1871 2.5Ah battery, carry case*, battery charger
*provision for spare 1871 or 1872 battery (order separately)

Flex hose
The 91cm (36") flex hose comes with anti-kink spring guards on each end and is the ideal size for most lubrication tasks

Multi-function LCD
Display shows grease output and battery charge, and alerts the operator of blocked fittings and loss of prime

Two-speed digital grease output selector
Lubricant dispense rate control at your fingertips. Best for lubricant dispense control, low flow at high pressure, 104cc @ max 10 000psi. Best for servicing bearings and professional lubrication duties, high flow at high pressure, 266cc @ max 10 000psi

Integrated hose holder and tube guide
The holder's unique design allows for secure hose storage, and the tube guide provides easy threading of the grease barrel

Lithium-ion battery
Lithium-ion technology is powerful and efficient, delivering an even flow of energy and eliminating the slowdown associated with NiCad.

Heavy Duty, Faster Gun

The Lincoln model 1886 battery-powered grease gun offers the key features you need for tough jobs - nothing more and nothing less. The versatility of the two-speed design enables you to address all lubrication points with a single tool, protecting equipment and machinery from costly repair and downtime.

Work light
Built-in LED illuminates the work area

Two-speed
dual output for low or high volume lubrication points. Two-speed gear transmission delivers 99 g/min on low and 284 g/min on high.

Free Standing
Three-point base keep the grease gun upright for easy handling and helps to keep the tool clean. Balanced, ergonomic design weighing 3.4kg.

Motor
High-torque motor develops pressure up to 10 000 psi (690 bar). Heavy-duty composite body with protective rubber over-mold

LED Indicators
- Prime indicator helps ensure proper lubrication flow
- Protective stall indicator identifies blocked fittings

Tube Guide and Hose Holder
The holder's unique design allows for secure hose storage, and the tube guide provides easy threading of the grease barrel

Model 1886
20V PowerLuber, 1871 2.5Ah battery, carry case*, battery charger.
*provision for spare 1871 or 1872 battery (order separately)

Lincoln Lithium-Ion PowerLuber® Reference Table

PART NUMBER	PRODUCT	DESCRIPTION
POWERLUBER GREASE GUNS		
01-001882E-400	PowerLuber 20V 400g LCD Display	20 VDC Grease Gun, Li-Ion battery, wall charger, carry case
01-001882AUS	PowerLuber 20V 450g LCD Display	20 VDC Grease Gun, Li-Ion battery, wall charger, carry case
01-001886E-400	PowerLuber 20V 400g Heavy Duty	20 VDC Grease Gun, Li-Ion battery, wall charger, carry case, spare grease couplers (x2)
01-001886AUS	PowerLuber 20V 450g Heavy Duty	20 VDC Grease Gun, Li-Ion battery, wall charger, carry case, spare grease couplers (x2)
POWERLUBER ACCESSORIES		
01-001871	Lincoln 20 VDC Li-Ion Battery	2.5mA capacity
01-001872	Lincoln 20 VDC Li-Ion Battery	4.0mA capacity
01-001870A	Lincoln 20 VDC Li-Ion 230 VAC Battery Charger	Suits 2.5mA and 4.0mA batteries
01-001875A	Lincoln 20 VDC Li-Ion Car Charger	12/24VDC In-Car charger
01-001236	Lincoln Flexible Grease Hose 91cm (36")	Standard on the model 1882 PowerLuber
01-001248HP	Lincoln Flexible Grease Hose 122cm (48")	Standard on the model 1886 PowerLuber
01-001414	Lincoln shoulder strap	Suits Powerluber grease guns
01-005852	Lincoln grease coupler	1/8" NPT F, 408 bar
01-005845	Lincoln Heavy-duty grease coupler	1/8" NPT F, 517 bar, 1 1/16" . hex
01-005900	Lincoln Powerlock lever action coupler	1/8" NPT F, lever locking action
